**Any special health/physical limitations or dietary needs?** *Maria Stein has advised that “due to the large volume of meals served, as well as varying diets and increasing costs, we are no longer able to make special meals for dietary needs. For those with diets such as gluten free, vegans, vegetarians, etc., we ask that you bring your own food to supplement what is being served in the dining room.”*

If you have food allergies, health, or physical limitations, please let us know when you send in your registration.
